To: Suzy, Ron, Jeff, J.R., and Greg:

I am writing to request that you give Valerie Stamey an opportunity to be our next Ravalli County Treasurer. I supported her in the last election as I felt she was the best choice for our county. She has had years of experience that should substantiate her ability to be a great treasurer. I know her to be a person of integrity with good work ethic. We need accountable, fiscally responsible people in office and I hope that you would agree and strongly consider Valerie to step in as our next County Treasurer.

Respectfully,
Starr Farley

Dear Ravalli County Commissioners Chilcott, Iman, Foss, Stoltz and Burrows,

When I was Vice-President & a major stock holder of Solar Aquafarms, Inc., it was important to me and our investors who watched our money and who provided us with timely financial data. Likewise, it is important to all of you to have timely and appropriate financial data in order for you to make the best decisions for the citizens of Ravalli County... In other words, you need the very best person available to watch your financial "backside!"

I believe that person is Valerie Stamey... 1) She has over 30 years of government fund accounting and 2) has an upbeat personality for managing and inspiring the workforce. 3) She has also worked with federal regulations, in order to insure proper compliance, and 4) she is up-to-date on the latest programs for fund accounting. 5) Valerie is also aware of the rigors and stresses of running for office, and I believe she could maintain continuity of government by running and winning re-election...

If you vote for Valerie, I believe you will be pleased with the superior, professional service that her staff will provide you...

Thanks for your time, and best wishes to all of you,

Ron Pifer
