Ravalli County Commissioners

To: County Commissioners

--	--	--	--	--

From: Carla Albert

President, Ravalli County Park District #2 Board

RE: New Board Member

The board has had an opening since Dusty Williams recently resigned. We have found another individual that has expressed an interest in serving on the board and we would like to appoint her to the position.

She is Mo Obrien who has lived in the valley the past 28 years. She works in the healthcare field currently employed at the bitterroot college developing a certified nursing assistant program for continuing education. She has served on various boards in the valley; such as Hamilton Farmers Market and Friends of the Library. She is an enthusiastic supporter of the aquatic center.

She has some Grant writing experience and looks to support the Aquatic Center in all of its endeavors. We ask that you accept our recommendation and approve Mo Obrien to serve on the Ravalli County Park District #2 Board.

Thank you for your consideration.
