Ravalli County Commissioners

--	--	--	--	--

To the Ravalli County Commissioners:

I have worked with Linda Isaacs for many years and have always found her professional and competent. I worked with her when I managed Daly Ditches Irrigation District, and also Blodgett Creek Irrigation District. I feel she would be the correct choice as the Ravalli County Treasurer. Please feel free to call me with any questions. 360-7113
