TO WHOM IT MAY CONCERN:

I write this letter of recommendation for Linda Isaacs with much reservation. I would like to believe that without this letter Linda might reconsider and choose to stay in Lake County. I can no longer cling to this belief.

Linda has worked for Lake County four and a half years in the position of Deputy Treasurer. During her tenure I have had numerous opportunities to work with her closely. At no time did I have any reason to believe that Linda displayed anything less than absolute competency in her position. It would be easy to rave about her many attributes but I will summarize by saying that she is an asset to Lake County and will be sorely missed. While nobody is irreplaceable it is fair to say that her replacement will have big shoes to fill.

In closing our loss in Lake County provides another employer a great opportunity. I wish Linda the best in any endeavor.
