Phone Call Voice Mail:

Kate Ludenheiser of Stevensville
says she is deeply angered
that Ron, Suzy + Jeff Kicked 400
low income clients to the curb.
This was poor thinking on your
parts. What will they do now?

Kathy Bullock is dismayed
what the BCC (Foss, Stoltz + Burrows)
did by denying TitleX \$. ~~\$~~ These
are low income women who need
the cancer screening + other health care -
This is not forward thinking -
SO re-think this issue.

G. Wiles.
