Ravalli County Commissioners

To the Ravalli County Commissioners --

I would like to present this letter in support of Linda Isaacs as a potential candidate for Ravalli County Treasurer. The Bitter Root RC&D became the first fiscal agent for the Ravalli County Tourism Business Improvement District (TBID) shortly after it was formed. Last year, both Marie Keeton and Linda Isaacs were extremely helpful in initially setting up a system whereby TBID fees would be assessed, collected and distributed.

In subsequently working with Linda over the past year and a half, she has been consistently cheerful, thorough, knowledgeable and effective. She never failed to get back to me timely with any request that I made for help, clarification or information, or to help "fine tune" the process. Linda is an excellent example of a dedicated public employee, and we are pleased to work with her.

Please feel free to contact me for further information.
