To Whom It May Concern:

I am writing this letter of recommendation on behalf of my former Deputy Treasurer/Financial Officer, Linda Isaacs.

Linda had been employed by Lake County for almost 5 years in the bookkeeping department of the Treasurer's office.

During her time with Lake County she was an absolute pleasure to work with and one of the most reliable people you would ever want in the office.

Linda had been an absolutely outstanding and loyal employee who will do whatever it takes to make the office run efficiently. She has so much knowledge with governmental accounting, balancing issues and Black Mountain Software.

I would highly recommend Linda to fill the vacancy of the Ravalli County Treasurer as she already has so much experience with all of your software and office procedures.

Ravalli County would be very lucky to have Linda Isaacs in the capacity of Treasurer. I would take her back in a heartbeat, but would have to fight her husband on the issue.

Sincerely,

Patti Duford Kugler
Lake County Treasurer
