Thank you Greg Chilcott and J.R. Iman for voting to keep the county family planning clinic.

Please Ron Stoltz , Jeff Burrows and Suzy Foss reconsider your vote. I am one of the majority of Ravalli County begging you to be responsible public servants. You can't possibly think that you are on the moral high road here! Look at what the clinic REALLY does. Let individuals have the opportunity (services) to make decisions for themselves. That is freedom!
