RE: Access Permit Located At Lake Como Road

Dear Mr. Hansen and Mr. Lucke,

Based upon the meeting on October 2, 2013, the Commission conditionally approved the approach permit for Brandon and Salima Witt's property on Lake Como Road. Please work with the Road and Bridge Department in addition to the County Attorney's Office to satisfy the conditions below. Upon satisfaction of the conditions, an access permit will be issued.

1. Provide an engineered design for the northern concrete abutment signed and stamped by a registered engineer licensed to practice in Montana.
2. Provide stamped civil engineered plans verifying the survey information and confirming the elevations, right of way locations, and footing elevations.
3. The proposed northern abutment and right of way shall be staked out. The extent of fill slopes shall also be staked out.
4. Provide a copy of the 310 permit.
5. Slopes outside of roadway surface are to be 3:1 or match existing slopes.
6. No boulders or fences are to be placed in the right of way.
7. Owner is to provide a hold harmless/indemnity clause which will run with the land for the bridge and abutment. The Ravalli County attorney's office is to review and approve said document.
