**Subject:** Sign Ordinance

To who it may concern:

Please leave the existing sign ordinance alone. I came from a area in Montana that allowed the big signs and it is wrong. In visiting with my neighbors in Florence, we don't want this Pollution in our Valley. We have a number if the large signs in Florence already and they look terrible. I question why this was brought up in the first place. The sentiment is that will not due business with people that have these signs.
