October 3, 2012

Dear Ravalli County Commissioners,

I am writing to express my opinion in regards to the the proposed sign ordinance changes.

My family and I **do not support changing the current sign ordinance.** Please leave it as is.

One large part of our recent decision to move to the Bitterroot Valley was that it does not look like a "Mall Town." We are happy to seek out local services and business. I assure you my decision as to spend money will not be positively influenced by someones sign blocking the beautiful view! Quite the opposite.

Thank you for your time in considering the views of your constituency.

Sincerely,

Kirk and Julie Hamman
