

PHONE MESSAGES OR VOICE MAILS BY PUBLIC FOR TITLE X (G.W.)

10/7/2013

1) To Suzy Foss and the other two Commissioners - from Olla Brown of Darby - she does not agree with you by turning down the Title X monies, it is just plain wrong....you are suppose to be working for the people.

2) Bill Jorge is a Ravalli County resident and he has never seen such ignorant Commissioners to turn this money down. He will not vote for these three next year and will urge other Republicans to do the same.
