Commissioners

I am writing to express my strong support for your approval of the KBK ranch application as submitted by the owners working with the Bitterroot Land Trust.

I attended the scheduled commissioners meeting on the property on October 7 and have reviewed the positive recommendations you have received from the OLB and the planning department.

This easement in perpetuity is a plus for Ravalli County and I think meets the criteria intended when voters approved the Open Lands bond fund.

Thank you for your consideration.
