Subject: Please do not increase Billboard size!!

Ravalli County Commissioners:

I am writing to state that I do not support changing the County Sign Ordinance. By taking out the regulations on Hwy 93, the allowable size will jump back up 2000 %, which is entirely too big for this rural valley. It's fine as is. The billboards are readable and affordable. After spending so much time & money creating a beautiful highway corridor why would we then want to make it ugly? Why would tourists want to visit and spend time and money if it looks like where they came from? Changing the existing regulations is very unnecessary and devalues our valley, a truly historic, cultural and esthetic landscape. Please do not vote to allow these changes.
