Dear Interested Party:

Enclosed is the current schedule of proposed projects for the Bitterroot National Forest, along with a general location map and map key.

Please note that this report is our primary means to inform you about the proposed activities expected to be analyzed under the National Environmental Policy Act (NEPA) during the next three months. Contact the individual listed with each specific project if you wish to provide comments, receive more detailed information including any environmental documents, or be notified of the final decision. This is our primary means for developing project mailing and contact lists.

I welcome your involvement in the development and review of these activities. This document, as well as the schedule of proposed actions for every National Forest, is available on the internet from one convenient location: <http://www.fs.fed.us/sopa>.

Sincerely,

for Julie K King
