Subject: County Motor Vehicle Graveyard Inspection

Dear Dan:

I conducted an inspection of the Ravalli County Motor Vehicle Graveyard on September 25, 2012. The basic intent of the inspection was to ascertain if the program is being operated in compliance with the laws and rules of the State of Montana. Enclosed is a copy of my inspection report.

Upon my inspection no violations of the Motor Vehicle Recycling & Disposal statute were noted and the facility looked good. Keep up the good work. Thank you, Dan, for your time and cooperation during my visit.

Please feel free to contact me if you have any questions.

Sincerely,

Carda Taylor
