Subject: Coordination plan

To the Commissioners: I would like to register my complaint and dissatisfaction with your coordination plan. I don't think it has had a satisfactory amount of public input, first of all. Are we supposed to know that we can just drop into a bar any time and figure that you'll be there and happen to be having a meeting? I also don't believe that you have the same knowledge and aptitude as the U.S. Congress. Please dispense with your plan. Thank you.
