

Serving the Bitterroot Valley
ROTARY CLUB OF HAMILTON

October 29, 2012

Ravalli County Commissioners.

The Rotary Club of Hamilton would like to offer our sincere thanks *for the work* done in Blodgett Rotary Park. Throughout the time we worked on upgrades to the park, we noticed how well used the park is by the public. The road that winds through the park was beginning to show signs of the use. On Monday, October 20, one of our members happened to drive by and noticed that fill had been brought in and the road was being graded. Again, thank you for your commitment to the Blodgett Rotary Park, as well as other parks in the county.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michael Massa".

Michael Massa
