RE: Approval of Fairgrounds Parking Lot Design

The City of Hamilton has approved the proposed Fairgrounds Parking Lot Design dated August 6, 2013 as submitted by Bitterroot Engineering and Design. You can proceed with construction of the 5 parking lots as laid out in the design. We appreciate the efforts of the County Commissioners, the Fair Board, and your engineer in working with our staff to meet City design standards. Please keep us informed through our Public Works Department of future progress towards construction for construction monitoring.

Sincerely,

Jerry E. Steele
Mayor
City of Hamilton
