Chairman and Commissioners,

Based on our recent communications, I have added your "Commissioners" specific address to our water rights database standard mailing list for purposes of mailing Public Notices for all new water right permit applications, water right change applications, and water right reservations (this includes USFS instream flow water rights) in Ravalli County:

Ravalli County Commissioners
215 South 4th Street, Suite A
Hamilton, Montana 59840

The Department will not be noticing you on water right applications outside of Ravalli County, but you can inform yourself about water right applications in other counties using this web link:

http://dnrc.mt.gov/wrd/water_rts/appro_info/application_publicnotice_map.asp

Also, the Department will continue to mail Public Notices to our previous Ravalli County address at the Clerk and Recorder designation.

Hope this hits the mark,

Ethan Mace, Surface Water Hydrologist
