Subject: Fire the Planning Board Chair

Commissioners:

In light of the offensive and racist comments offered by your Planning Board Chair, Jan Wisniewski, at last week's meeting with the Confederated Salish & Kootenai Tribes, I urge you to dismiss Mr. Wisniewski as Planning Board Chair, and from the Planning Board itself, immediately.

I was deeply offended by his comments, and do not wish anyone to think that such people represent, in any way, the good people of this county.

Thanksgiving is a time when we recall, among other things, the kindness shown by this continent's original inhabitants toward a group of immigrants who might otherwise have suffered and starved. Let's honor this occasion with meaningful action.

Thank you for your serious consideration of this important matter.

Yours,

Russ Lawrence
