RE: East Fork Bitterroot Road Safety Project

Dear Greg;

Please allow this letter to serve as Ravalli County's second request for a time extension to the East Fork Bitterroot Road Safety Project PFH 78(1) until July 1, 2014. This date should allow for the proper paving and chip seal that will need to be performed in the spring/summer of next year.

If you have any questions please contact our office at the above number.

Sincerely,

Jeff Burrows, Chairman
