Dear Commissioners,

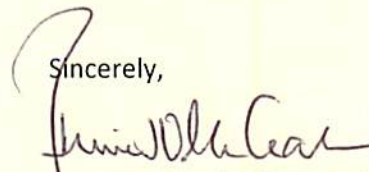

This is a follow-up to the letter that I sent on February 19 to inform you that we have still not received our mil levy payment for January 2014. In the past, we generally received mil levy payments for the previous month by the end of the following month.

I spoke with Clerk and Recorder Regina Plettenberg today, who assured me that the January and February reports would be sent out within the next couple of weeks, but I wanted to be sure that you were aware of the situation as well.

The last information we received from the county regarding our mil levy payments was the letter from Klarysse Murphy which we received on January 16, which included estimated payments from the previous months.

I appreciate your investigation of this issue and look forward to its resolution.

Sincerely,

Renee McGrath, Library Director
