Re: Thank you letter

Dear Commissioners Chilcott, Hoffman and Burrows

I received your Thank you letter today and was very honored to get it. I have been fortunate to be on a Board led by Julie Foster who as you know has a leadership talent like none I've seen before. Her forward thinking and get it done attitude are really fun to watch in action. She definitely has the best in mind for Ravalli County.

Having said all that, I believe it's important to say Thanks for the good work the commission is doing. Without the support of the Commissioners the RCEDA would not be where it is today. I think it's fair to say that together we've been able to move things forward for the betterment of Ravalli County. I also believe the ball is rolling forward and momentum, which takes so long to achieve, will keep us moving forward.

So thanks for your letter and Thank you for the work you're doing. It takes a team!

Sincerely

Bob Thomas
RCEDA Commissioner

Dear Commissioners:

Dear Commissioners, I hope you are well.

I received your letter today and was very honored to get it. I have been fortunate to be on a Board led by Julia Blevins who has shown me a leadership role like none I've seen before. Her forward thinking and get it done attitude are really fun to watch in action. She definitely has the best in mind for Frasvill County.

I would like to say thank you for the good work the commission is doing. We have the support of the Commissioners the RCEA would not be where it is today. I think it's fair to say that together we've been able to move things forward for the betterment of Frasvill County. I also believe the bill is rolling forward and momentum will keep us moving forward.

So thank you for interest and thank you for the work you're doing. I look forward to

Bob Thomas
