Re: Notice of Delivering Local Assistance Award

Dear Commission Chair Burrows:

Congratulations! On behalf of the State of Montana, it is my pleasure to notify you that Ravalli County has been selected for a Delivering Local Assistance award in the amount of \$747,477 to be granted for the replacement of Edwards Road bridge.

Making sustainable investments in critical infrastructure and putting shovels in the ground is essential to our continued economic growth and to the creation and support of good-paying jobs for Montanans. Delivering Local Assistance does just that by focusing grant funds toward local governments and schools to address the needed investments in facilities across Montana.

We know the need for infrastructure funding is high. The Legislature set aside just \$21.5 million for Delivering Local Assistance, but we received an astounding 191 applications requesting nearly \$83 million. This one-time program funds the most critically needed projects. It is my hope that future lawmakers continue to make important investments in infrastructure projects across Montana.

All awardees will be contacted directly with more information in the upcoming weeks by program staff. If you have any questions, please contact the Community Development Division at the Montana Department of Commerce, at 406-841-2770 or email [DOCCDD@mt.gov](mailto:DOCCDD@mt.gov).

Again, congratulations and good luck on the successful completion of your project.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Bullock".
