Ravalli County Commissioners

County Commissioners, Ravalli County

Distinguished Commissioners:

I live on the Upper Sweeney Creek Loop in Ravalli County South of Florence. To get to my house I need to take the County road off of Highway 93 West to the Sweeney Creek Trail Road. Currently that section of the County road between Highway 93 and the Trail Head road is in dismal repair. The pot holes are, at a minimum, two feet across in many places. In previous years they have been filled in by County road crews, only to reappear again after each winter season.

To add to this issue, there are two new subdivisions going in directly off lower Sweeney Creek Loop. One is the new Mountain Park Road subdivision and the other is Forest Hills. Both of these new developments will bring increased traffic flow onto the Sweeney Creek Loop road off of Highway 93.

I am asking, as a resident and tax payer in Ravalli County,that immediate attention be given to improving this section of County road. Not only for the safety of all residents but also for unwanted repairs to our vehicles as we try to dodge the pot holes.

Please give your immediate consideration to this request as you would want given to the road you travel on to your home every day.

With great appreciation, thank you for helping us with this request.

Bob Cummings — 5236 Smith Fork Rd — 5-18-20
