Dear Commissioners:

On February 7, 2020 and March 19, 2020, I wrote you a letter on behalf of the Association requesting that you investigate putting up "no jake brakes" signs up on Eightmile Road. There were signs like this many years ago, but they were taken down.

To date I have received no reply from the Commissioner's Office. Please reply.

Dear Commissioners:
On February 1, 2020 and March 19, 2020 I wrote you a letter on behalf of the Association regarding that you investigate putting up "no take" signs up on Right of Way Road. There were signs like this many years ago, but they were taken down.

Re: Eight Mile Road Speed Issue

Dear Commissioners:

I have had several requests about the posted speed limit of 55 MPH. Let me say, no one abides by this at all. Our homeowner's group of 119 members are asking if you can either lower the posted speed limit and/or have additional sheriff's patrols in the area.

There is more and more traffic on Eightmile Road with the additional growth of Upper Eightmile Road. It is only a matter of time that there is a serious accident on the road.

I would appreciate your prompt reply.

Re: Eight Mile Road Speed Limit

Dear Commissioner:
I have had several concerns about the posted speed limit of 35 MPH. I am
sure no one wishes to die or be injured by this. Our homeowner's group of 12 members
are asking if you can either lower the posted speed limit and/or have
additional sheriff's patrols in the area.

There is more and more traffic on Eight Mile Road with the additional
growth of Upper Eight Mile Road. It is only a matter of time that there is a
serious accident on the road.

I would appreciate your prompt reply.
