Chris,

I inadvertently left out part of your e-mail address when sending the message below to you "for the record." I've corrected it in my address book, so it won't happen again.

Dear County Commissioners.

Thank you so much for giving final approval this morning to the last step necessary to allow the Bitter Root Land Trust to get the Skalkaho Park project completed. Community members have been extremely supportive of having this piece of land transformed into a beautiful public park with access to the river, walking trails, wildlife interaction and open space that they all will now be able to enjoy. BRLT is grateful for your support of what will now become a very special amenity.

Sincerely yours,  
Peggy Ratcheson, President  
Bitter Root Land Trust
