Ravalli County Commisioners:

I would like to voice my support for the approval of the transfer of the Open Lands funding to the Bitterroot Land Trust for Skalkaho Bend Park so we can get the park officially opened for the community. This park has already been such an important, positive asset for our community and Ravalli County residents. I've really enjoyed witnessing how public access to this park has gotten so many of our fellow community members and my own kids outside and respectfully enjoying this special place on the river. I appreciate all of your time and service to this county. Thanks, Pete
