Subject: [EXTERNAL] Skalkaho Bend Park

Thank you for your commitment to use Open Lands Bond Funding for Skalkaho Bend Park. The Bitterroot Land Trust has developed a park that will be a benefit to the whole community for its access and its beauty, both natural and enhanced. The site has already been "discovered" and is in constant use by families and fishermen, dog walkers and hikers and cyclists, people desiring a quiet space and river access. It is truly a gift.

I am an immediate neighbor and have worked closely with BLT finding them to be courteous, professional, and open communicators. They have done you proud with the final product of an exceptional open space.
