Subject: [EXTERNAL] Comment in Support of Skalkaho Bend

Dear Commissioners Chilcott, Hoffman and Burrows,

I wanted to take a moment to thank you for your continued support of the Skalkaho Bend Project and the use of OLB funds to provide public access to all county residents, especially access to the Bitterroot River. I am both an OLB member as well as a resident of the South Hamilton neighborhood and am eternally grateful for the ability to walk and bike to the river with my family and enjoy not only the scenic views but the clean water and preservation of wildlife habitat so essential to making Montana the last best place.

Preserving these enclaves of open space from development and further opening them up for public use is essential to our way of life and will be honored and valued by generations to come. Thank you for your support of this program and the preservation of open space, public access and agricultural resources across the valley.

Best,
Katrina Mendrey and Family
