Subject: [EXTERNAL] Health Wastewater Meeting Tomorrow - Postpone Request due to Limited Seating

Dear Commissioners and Health Officials -

As a real estate agent I have been monitoring this very important issue as it affects my livelihood and real estate values in the Valley. Pertaining to the meeting tomorrow at 2pm, it has just come to my attention that there is only seating for 20 and that masks are required.

If this is true, I urge you to postpone this meeting until a larger venue that accommodates everyone can be secured. For health reasons I cannot wear a mask and can not be unfairly denied access to this very important and informative meeting.

Thank you,
