Hello commissioners,

I am writing in support of having a normal Ravalli County Fair as planned.

I do not support mandating people wear masks.

As a resident, 4-H leader/parent, and barn superintendent, I feel that we should go on with fair as normal. I know it has been discussed to have some extra sanitizing and such during the fair, and I feel that is reasonable. Being involved in the 4-H and superintendent aspects, I know we have a plan in place to help keep things as clean as possible.

I think life needs to go on and if people are afraid to be out at the fair, that is their choice and they are not required to attend. Thank you all for your time and for all you do!
