Subject: [EXTERNAL] Cancelling ravalli county fair

Dear commissioners,

I am thoroughly disappointed in the acceptance of the board to allow an un-elected non health expert to dictate what we the people can and cannot do. Cancelling the Ravalli County Fair is a showing of conformity to an issue that is really not an issue. The numbers do not support the agenda! If you keep on this path the people will put you out on the street. I will personally push everyone I know and they will convince everyone they know to vote you all off of your seats this next go around. Please start making the right decisions, stop cowering down to the PC police and stand up for the right of the American people. You are supposed to support and defend the constitution. Please start doing so.

Thank you
