Hello;

Needless to say I was not real impressed with what channel 8 had to say about folks down in the Hamilton area. It sounds as if we have a quiet a few social rednecks running around in the county. Some don't think that masks will help with the spread of the virus, but I would disagree with that group. Not impressed with the lack of real backing from you guys and the sheriff. As for myself, I was in a eatery in Hamilton about three weeks ago and it was packed and not a waitress was masked. Had been to two in Missoula prior to that and only 50% was open inside and all waitress and waiters had masks. I guess I won't be coming back to Hamilton in the near future. Be safe and take care.
