Subject: [EXTERNAL] Mask Mandate & Public Health Officer Resignation

To all Ravalli County Commissioners:

Your decision in defiance of Governor Bullock's mask mandate is shocking, irresponsible, and extremely reckless. A local and well-respected public health official has already resigned due to your politicization of a public health issue. As a result of your poor decision, the domino effect will continue.

Your job is to work for the BENEFIT of Montanans, not for the detriment. Would you likewise be in favor of abolishing seat-belt or infant car seat usage? Stop playing politics with the welfare of Montanans and do the right thing!
