Subject: [EXTERNAL] Please do whatever is necessary to make mask wearing enforceable in our county

Wearing a mask is a precaution to reduce Covid 19 cases to keep from killing folks and overloading our medical system. Many residents in Ravalli County are compromised and at risk for dire health complications if infected with Covid 19. This is about the health of this county, the health workers who live and work here, our neighbors, and loved ones.

Please do whatever is necessary to make mask wearing enforceable in our county.

Thanks for your time

Michele Dieterich
