Subject: [EXTERNAL] Masks

I am appealing to you to ask that our sheriff and others such as Jeff Burrows please enforce the Governor's directive that ALL adult Montanans wear a mask when in an enclosed public space. Folks think that by being told to wear a mask they are having their freedoms taken away, but I say they do not have the right/freedom to sicken others. We have many people in this county who have compromised immune systems, are older, etc. Does no one care about those of us who cannot afford to get this virus? Is there, at least, a sense of civic responsibility? Please step up and do the right thing.

Thank you.
Sherry Phillips
