Subject: [EXTERNAL] Masks Save Lives and Money

Dear Commissioners,

I am saddened to hear you are on record for not enforcing community mask wearing. A mask is not full proof but it lessens the odds of getting sick, lessens the odds of loss of life. I feel it's the right thing to do for the greater good. A minor inconvenience, no one enjoys wearing them, but if it can help people not get sick it is something I wish you supported.

"No-maskers" are being led by fear and ignorance. I feel history will judge your decision of not supporting mask wearing as reality-denying and lacking courage to do the right thing.

Thank you,
Jennifer Knell
