**Subject:** [EXTERNAL] masking up

I want to thank the Board of Commissioners for instituting the Governor's directive to have employees, volunteers, and visitors wear anti-viral masks in government spaces. It has been amazing to see how many, and how quickly, stores put signs announcing that policy on their entry doors.

What I have seen is a huge increase in compliance; many more shoppers are using them without apparent objection. So, thanks for doing what I consider to be a pretty easy way to help control the spread of this virus.
