Gentlemen:

Re: Bear Creek Road

Although my address is on Crested Butte Way, my residence fronts Bear Creek Rd. and I would like to draw your attention to the excessive speed limit currently posted. I believe that a limit of 50 miles per hour is too fast for this road and presents a hazard to humans and animals, not to mention an excessive noise level. It is not uncommon for cows to escape their enclosures in this area, and I have seen several dead deer along the roadside. I also see children riding their bikes across the intersection of Bear Creek and Meridian at which point many vehicles have reached a speed in excess of the limit.

No doubt this limit was decided upon before many of the residences west of Bear Creek and Meridian were built. I request that this limit be reviewed at this time, and suggest that a maximum of no more than 40 miles per hour would be more appropriate. Thank you for your consideration of this matter.

Sincerely,

BRIAN LARSEN
