I, Bryce Weidow believe in the importance of the impact The Ravalli County Fair has on our community and I am in support of having a fully open fair. It is a once a year opportunity where our youth come together and experience team work, responsibility and commitment, which can only be attained through interaction with others. It is also a time honored celebration of our community, culture and American heritage. We know ultimately we are responsible for ourselves and our families and it is imperative that we return to normal by standing together as a community.

I, Mitzi Barrie believe in the importance of the impact The Ravalli County Fair has on our community and I am in support of having a fully open fair. It is a once a year opportunity where our youth come together and experience team work, responsibility and commitment, which can only be attained through interaction with others. It is also a time honored celebration of our community, culture and American heritage. We know ultimately we are responsible for ourselves and our families and it is imperative that we return to normal by standing together as a community.

I, Marlene Mynard believe in the importance of the impact The Ravalli County Fair has on our community and I am in support of having a fully open fair. It is a once a year opportunity where our youth come together and experience team work, responsibility and commitment, which can only be attained through interaction with others. It is also a time honored celebration of our community, culture and American heritage. We know ultimately we are responsible for ourselves and our families and it is imperative that we return to normal by standing together as a community.

1. The first part of the document is a letter from the author to the editor, dated 10/10/1954. The letter discusses the author's interest in the subject of the journal and the author's previous work in the field. The author mentions that the work was done during the author's stay at the University of California, Berkeley, and that the author is currently at the University of Michigan. The author expresses a hope that the editor will find the work of interest and that it will be published in the journal.

2. The second part of the document is a letter from the editor to the author, dated 10/15/1954. The editor thanks the author for the letter and for the work. The editor indicates that the work has been read and that it is of interest. The editor suggests that the work be published in the journal and that the author be given the opportunity to revise the work if necessary. The editor also mentions that the work will be published in the next issue of the journal.

3. The third part of the document is a letter from the author to the editor, dated 10/20/1954. The author thanks the editor for the letter and for the suggestion to revise the work. The author indicates that the work will be revised and that the author will submit the revised work to the editor in the near future. The author also mentions that the author is currently at the University of Michigan and that the author is working on other projects in the field.

4. The fourth part of the document is a letter from the editor to the author, dated 10/25/1954. The editor thanks the author for the letter and for the suggestion to revise the work. The editor indicates that the work will be published in the journal and that the author will be given the opportunity to revise the work if necessary. The editor also mentions that the work will be published in the next issue of the journal.

5. The fifth part of the document is a letter from the author to the editor, dated 10/30/1954. The author thanks the editor for the letter and for the suggestion to revise the work. The author indicates that the work will be revised and that the author will submit the revised work to the editor in the near future. The author also mentions that the author is currently at the University of Michigan and that the author is working on other projects in the field.

6. The sixth part of the document is a letter from the editor to the author, dated 11/5/1954. The editor thanks the author for the letter and for the suggestion to revise the work. The editor indicates that the work will be published in the journal and that the author will be given the opportunity to revise the work if necessary. The editor also mentions that the work will be published in the next issue of the journal.

7. The seventh part of the document is a letter from the author to the editor, dated 11/10/1954. The author thanks the editor for the letter and for the suggestion to revise the work. The author indicates that the work will be revised and that the author will submit the revised work to the editor in the near future. The author also mentions that the author is currently at the University of Michigan and that the author is working on other projects in the field.

8. The eighth part of the document is a letter from the editor to the author, dated 11/15/1954. The editor thanks the author for the letter and for the suggestion to revise the work. The editor indicates that the work will be published in the journal and that the author will be given the opportunity to revise the work if necessary. The editor also mentions that the work will be published in the next issue of the journal.
