Dear Neighbor,

The intersection of 4th Street and State Street in Hamilton will be closed to through traffic from 3:00 P.M. Saturday, August 15th to 7:00 P.M. Sunday, August 16th. Attached to this letter is a site map showing where traffic controls will be in place during this closure. You are being notified directly as your home or business is adjacent to this closure and may be impacted. During the closure you will continue to have vehicle access to your home or business, however you will not be able to drive through the intersection of 4th Street and State Street.

The purpose of this closure is for Bike Walk Bitterroot, a local non-profit, to paint a new high-visibility crosswalk at this intersection. This closure will provide for the safety of Bike Walk Bitterroot volunteers and allow enough time for the paint to dry. This project has been approved by the City of Hamilton.

If you have any questions you may contact the City of Hamilton Planning Department at (406) 363-6717.

Sincerely,
