**Subject:** [EXTERNAL] mail ballots

I absolutely do not want to do mail ballots. I believe the voting system needs to stay the same as previous years with voting in person and by absentee ballot. With the intense controversy surrounding the vote this year there really should not be any changes to the system that could potentially add to the chaos, suspicion, or confusion. People are standing in lines at stores with masks and with distance, so there is no reason that we can't also stand in line at the voting place.
