Subject: [EXTERNAL] Elections

There is no reason why we can't have in-person voting. If we can stand 6 feet apart in line at the grocery store then we can do it to vote. The last election, I went in to vote, there was no line and plenty of social distancing. And there are a lot of reports of voter fraud already by mail-in ballots. We have plenty of school gymnasiums to use to keep people safe.

Thank you,
Debra James
