Subject: [EXTERNAL] Fire restrictions

Hello Commissioners and Chris the Administrative Assistant,

I am requesting for you to put “fire restrictions” in place for all of the Bitterroot Valley and Bitterroot Forest. I am asking for a NO CAMPFIRES restriction to be put in place immediately until our hot, dry season is over.

My husband and I have lived on Bear Creek Trail in Victor for 22 years and we know when the campfires should stop but it seems sometimes the decision to stop them is made too late.

Thank you for listening,
Jack and Jane Johann
