Dear Sir,

As a citizen of the United States, my vote is my most treasured right. I have voted in every Presidential, and most local elections in my adult life.

I treasure my ability to go to the polls, fill out my ballot, and be ASSURED that my vote will be properly accounted for and COUNTED.

COVID-19 is NOT AN EXCUSE to violate this most sacred of citizen rights!

If older poll workers can't work the polls, younger ones like me (well, ok, I'm 55, but I'm damned healthy) can replace them. We have months for training if necessary. I myself am VERY willing to do it.

I implore you to resist allowing a 99.6% SURVIVAL illness to take away our most important right as a citizen, to make our voices heard in our election process.

Sincerely,

Wanda Tucker
