I was surprised to learn that we would not do vote by mail this fall as we did last spring. I thought the vote by mail went well last spring with a strong response and had the advantage of not exposing the poll workers to the virus. Regina's plan to mail absentee ballot forms to everyone will work, but will cost more as it will require mailing the form, voter mail back the form, mail the absentee ballot out and then voter mail back. Seems to me simpler and safer to go to vote by mail. Thanks Bob Cron
