Subject: [EXTERNAL] comment on "vote by mail" -

Dear All -

Voting entirely by mail in Nov., as Regina Plettenberg has suggested, is a tried and true way to encourage voter turnout and to keep us all safe. I support it 100%. All the confusion being ginned up about the issue is just the lowest form of political interference and attempted voter suppression.

If we have to have a limited number of polling places open that would be ok but very very strict safety guidelines must be put in place and followed - masks, distancing, etc.

Thank you for accepting my comments.

Mark Van Loon, Hamilton.

Is this a far enough social distance?

Mask it or casket?
