Subject: [EXTERNAL] Please listen to this Dr's very good explanation to clarify and refute the "official" reasons given for how to diagnose and treat Covid-19.

As a Doctor with training in allopathic diagnosis and therapeutics, as well as other such "tool boxes" from my Naturopathic and Chiropractic and Oriental medical trainings, I understand why and how this Doctor is speaking the Truth. Thus I implore you to listen and make up your own minds about what she says; so that you can act with more knowledge than what is being presented by "the establishment". The consequences are too great to disregard all available information and knowledge. Respectfully, Dr. Timothy A Binder retired ND, DC, & ACU.
